

## OADTL Newsletter - February 2019

Dear Site Members,

Thank you for your interest in the Open Access Digital Theological Library!

We are very pleased to report that since we launched the OADTL seven months ago, the site has had **9,500** users from **109** different countries around the world.

We add new titles to the site on a daily basis, and we are proud to announce that we currently provide access to

- 190,114 e-books
- 4,686,545 articles
- 4,355 journals

We appreciate your patience as our site has experienced some growing pains. We have recently given the website a much needed upgrade. It may be helpful to note that we are discontinuing the assignment of user IDs. You will continue to be able to access all of the resources on the site without required registration.

We are happy that our site is attracting some attention among librarians. *Theological Librarianship*, the journal of the American Theological Library Association, featured the OADTL in their October 2018 issue.

If you are interested in helping us continue to develop the site, please consider some of the following options:

- Use the OADTL
- Encourage others to use the OADTL
- Suggest content for inclusion in the OADTL
- Volunteer to work in OADTL collection curation (remotely from any location)
- And, for those of you in the United States, consider using Amazon Smile to make a free donation with your purchases. (Click here for instructions on [setting up Amazon Smile](#).)

If you have questions or comments, please contact us by email at [info@oadtl.org](mailto:info@oadtl.org) or by using the contact form on the site.

Thank you for helping us make high-quality resources in religious studies freely available worldwide.
